Consideration of Revisions to Policy BCB and Exhibit BCB-E Board Member Conflict of Interest (first reading)

Superintendent Mary Kamerzell presented the proposed revisions to the district's current policy and exhibit. Under the section Conflict of Interest in the policy a paragraph was added to clarify the meaning of conflict of interest for governing board members. Dr. Kamerzell reported that language was also added to the policy to match the language in exhibit GBEEA-E Staff Conflict of Interest that was recently approved by the governing board and noted that the word "employee" was replaced with "governing board". The board will review the policy and exhibit for the second reading at its next meeting on December 11.

Consideration of Revisions to Policy BE School Board Meetings (first reading)

Dr. Kamerzell reviewed the necessary changes to the policy based on changes to House Bill 2065 which amended statute 38-431, 38-431.01, and 38-431.07 related to public meetings and proceedings. Dr. Kamerzell reported two paragraphs were added to the introduction to note the definition of a "meeting" to include electronic communications by one board member sent to a quorum of board members. She also referenced the added language in the first paragraph under Regular Board Meetings, two exceptions of not holding CFSD board meetings on the second and fourth Tuesdays during the months of July and December. Board members recommended a minor adjustment to the statement regarding the July and December meetings for clarity. The board will review the policy for the second reading at its next meeting on December 11.

Consideration of Revisions to Policy BEDF Voting Method (first reading)

Dr. Kamerzell presented the recommended revisions to the district's current policy. The law now requires that board meeting's minutes show each individual governing board member's vote. Dr. Kamerzell reported that the district already meets the requirement. The last paragraph of the policy was deleted and replaced with a sentence that indicates that the majority of the board members voting shall carry the motion. The board will review the policy for the second reading at its next meeting on December 11.

Consideration of Revisions to Policy BEDG and Regulation BEDG-R Minutes (first reading)

Dr. Kamerzell reviewed minor wording adjustments made to the policy for clarity and consistency. She reported that the necessary changes to the regulation were based on changes to House Bill 2065 which amended statute 38-431, 38-431.01, and 38-431.07, on public meetings and proceedings, which included a need to record how each board member voted. A statement was added to show the requirement. The board will review the policy and exhibit for the second reading at its next meeting on December 11.
