

Esperero Canyon Middle School

EAGLE

EXPRESS

Spring Break, 2020

Dear Esperero Families:

As we navigate the uncharted territory of COVID-19, we encourage all of our families to stay safe and to find the silver lining in this cloud. Being together with family seems to be the most positive outcome of the global health crisis. We are finding out that family simply means a community of caring people trying to help each other. This week, we have heard of parents who are providing child care to assist other parents who are working. We heard many stories of families making and eating meals together. One of our students shared that he and his mom did yoga together in their living room. Some of our colleagues tell us that they actually watched a movie with their kids and discussed it in depth. Many of us have had "check-ins" with relatives and friends from all over the world who express love and concern for our well-being.

As we head into our Spring Break week for CFSD in this time of uncertainty and social distancing, it is important to remember that social distancing doesn't pertain to the heart. The heart remains steadfast. Our hearts are always with you, dear Esperero families. We treasure all of you!

We would love to hear from you. Please feel free to write us and share what you are doing during the break.

Please stay tuned for updates on the CFSD website and emails.

Sincerely,

Mary Setliff, Principal
